

`dns.Pointer.Pointer`

```
graph LR; A[dns.Pointer.Pointer] --> B[dns.Pointer.deserialize]
```

A diagram showing a relationship between two code elements. On the left is a gray rectangular box containing the text `dns.Pointer.Pointer`. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `dns.Pointer.deserialize`. Both boxes have a thin black border.

`dns.Pointer.deserialize`
